
Proof of Safety Understanding

These worksheets are intended to assure the student's complete understanding of the safety materials presented during the Graphic Communications Safety Program. Students will not be allowed to work in the Print Shop until successfully completing *all* of the questions on each of the worksheets.

Worksheet #3

Please use complete sentences in answering the following questions:

Why is it important that objects are not thrown in the Print Shop?

Why must students wear a safety shield or glasses while mixing chemicals?

Why should all flammable chemicals and solvents be stored in the fireproof safe?

What could happen to students from prolonged or repeated chemical contact to skin?

When mixing chemicals, why is it important to add acid to water rather than water to acid?
