
Proof of Safety Understanding

These worksheets are intended to assure the student's complete understanding of the safety materials presented during the Graphic Communications Safety Program. Students will not be allowed to work in the Print Shop until successfully completing *all* of the questions on each of the worksheets.

Worksheet #5

Please use complete sentences in answering the following questions:

What kind of injury can occur from tasks requiring repetitive motion?

Why is it important to tell the instructor about taking medications?

Why is care necessary when moving paper?

Why must care be taken while using X-acto knives or other sharp tools?

What precautions must be taken while cleaning the plate-setter processor?
