
Proof of Safety Understanding

These worksheets are intended to assure the student's complete understanding of the safety materials presented during the Graphic Communications Safety Program. Students will not be allowed to work in the Print Shop until successfully completing *all* of the questions on each of the worksheets.

Worksheet #6

Please use complete sentences in answering the following questions:

Why must cutter operators keep all tools and rulers off the cutter bed?

Why must ear plugs be used when operating the folding machine?

Why is care necessary when handling weights used for padding?

What can happen to a student who attempts to handle a large lift of paper alone?

Why is it important for the cutter to have only one operator?

What is the Right To Know book and why is it important?
